"I wanted to take a minute to say how much we appreciated spending time with you in your class. Iman and Reza talk about pottery day with such anticipation and are constantly coming up with new ideas for their next project. You have a very special way of working with people that is both soothing and inspiring. We love to spend time in your studio and have enjoyed meeting your family as well. Warm regards. ~ Alycia Fahr-Zarlons, September 2010
